THE RMPORIUM OF FASHION

NEW TONSORIAL SALOON.

THE Undersigned beg to notify their Friends,
and other European Residents of Hongkong, also to the commanders and officers of
the Navy and Mercantile Marine, that they
have Removed their establishments to Marsh's
Building, next door to the Hongkong Dispensary, where those who honor them with their
Patronage will always find them ready to give every attention.

The rooms are on the first-floor, the one used for Cutting Hair and Shaving, &c., is fitted up with two Elegant-chairs. The great attraction of this room is a Magnificient Black Walnut Washatand, topped with Massive Marble, with a newly invented Shampon Shower; this is a novelty, and one which will conduce materially to the comfort to Patrons of this Establishment, and is also fitted with all the essentials which comfort and advance of the time render necessary; it is the most complete in this colony, well Lit and Ventilated, and has been pronounced by those who have visited the Rooms, Complete and Elegant.

Elegant.

Elegant.

List of Prices.

Hair Cutting Shaving Shampooing Mr. Wheelee will be prepared to call at the residence of any Lady or Gentleman requiring bis services, who may find it inconvenient to visit the establishment, on receipt of a chit to

that effect.
Thanking you for past favore, and trusting to meet with a renewal of the same,
We have the honor to remain, Sir, Yours very obediently, F. A. WHEELER,

J. EUZIERE. tf 1166 Hongkong, 24th June, 1868. WING KEE COAL SHOP.

AN UNWASHED RELIGION.- A Romanist. in warm dispute with Wilves, observed, "Where was your religion before, butner?"—" Did you wash your face this morning?"—" I did, Sir."— "Weil, then, where was your face before it was washed?". PARING THE GLACIERS.-The Gazelle de Lausiane states that a considerable trade in die ice has been lately organised by a person marned Robatel, residing near Martiguy. The ice from the glaciers having been sawn into regular games of small volume and perfect framepurency, is purked in boxes, and sent off by first trains to various centres of population in France, and arrives with very little waste. The New York papers state that a simple but ingenious machine has lately been constructed, by which it is intended to light the chaldings if in that city. It is an adaptation of electricity. me and by its means the entire city can be instantamously lighted. The cost of the apprains I for New York is estimated at 33,000 dollars, lay which it is alleged will be more than saved in labour and gus in end year, SATIRICAL WITHOUT KNOWING IT,-A. girl in a public soluml applied to her teacher for d leave to be about half a day, on the plea that tou they had company at home. The teacher reterred her to the printed list of reasons that eld the school committee think sufficient to justify absence and asked her if her case came under 14 any of them. She naively replied that it might come under the head of "domestic affliction. Two American Preschers were on the some platform. One of them, who was Preaching happened to say, "When Abraham built the ark -- "-The other, who was belund, centured to correct his blunder by saying. "Abraham warn't there." But the speaker roat pushed on, and only took occasion shortly to recent still more decidedly. "I say, when Abrahain built the nik -- " And I say." cried the ther. " Abraham warn't there," -The prescher was not to be put down in that way; so, address: aing the month, he exclaimeed, with great emplaces "I say Abraham was ther or thursbruts." The Times neges the expediency of bringing the Paragrayan war to a termination by the d' i joint infigence of European and American diplo macy. The war has brought Brazil to the verge ling frien.
